**The Cardiological Society of India (CSI)** is a cornerstone of cardiovascular health, striving to advance understanding, prevention, and treatment of heart diseases nationwide. With a legacy spanning for decades, CSI pioneers research, treatments, and educational initiatives and opening of new cardiac centres having advanced facilities with a purpose of reducing the burden of cardiovascular diseases. Through conferences, workshops, and publications, CSI disseminates knowledge, elevates standards of care, and saves countless lives affected by heart conditions, earning international recognition as a leading authority in cardiovascular medicine.

Taking this vision forward, it is with great pleasure and honor that we invite you to our upcoming 2<sup>nd</sup> annual conference with the theme of “Empowering Hearts Globally: Prevention to New Frontiers in Advancing Cardiovascular Care to combat growing Challenges” in the historic city of Bikaner, Rajasthan. Your insights and vision are paramount in enriching the discourse that would further enhance the mission of CSI. We aim to bring together leading minds in the field to discuss breakthroughs, challenges and the roadmap ahead. The conference will feature a robust agenda including keynote speeches from world renowned cardiologists, cutting edge research presentations, interactive panel discussions and numerous networking opportunities. The event promises to be an unparalleled platform for professional growth, collaboration and reflections on the advancements and future directions in cardiovascular medicine.

**Organising Chairman**

**Generosity Beyond Measure:  
Dedication to Advancing Cardiac Care**

**Sh. Manohar Lal Agarwal**

**Chief Custodian  
and Guardian**

**Dr. Naresh Trehan**

A Trailblazer who nurtured our cardiology center  
from infancy to adulthood & excellence

Dream realised under the Jansahbhagita Yojna and spread over a total area of 28,600 sq meters with a generous donation of Rs. 20 crores by **Sh. Manohar Lal Agrawal**, Chairman of the Haldiram Charitable Trust, the **HRMC CARDIOVASCULAR AND RESEARCH CENTRE** in Bikaner exemplifies collaborative healthcare efforts. **Dr Rajababu Panwar's** visionary leadership and motivation have played a pivotal role in the development of this center, guiding us towards excellence. Offering comprehensive cardiology and Cardiothoracic and Vascular Surgery (CTVS) services, our center is dedicated to excellence. In a decade long support by **Dr Naresh Trehan** and his team of skilled doctors from Medanta Medicity who were instrumental in our CTVS department, contributing their expertise to our shared mission of enhancing patient care by successfully performing over 500 complex cardiothoracic surgeries. In cardiology, our advanced procedures by our team of highly skilled interventional cardiologists encompass image-guided (OCT-FFR) radial artery angioplasty, rotablation for calcified complex CAD, CRT-D, AICD, device closure of CHD, pacemaker implantation, EP studies (2D and 3D mapping), pharmaco-mechanical thrombectomy (ANGIOJET), radiofrequency ablations, peripheral stenting, and provision for ECMO facilities. Moreover, the Department of Cardiology's active participation in various clinical trials has led to the publication of results in esteemed journals such as NEJM, European Heart Journal, Lancet, and Circulation, solidifying our commitment to advancing medical knowledge and improving patient outcomes. Furthermore, the center was honored with the Center of Excellence Award in 2022-23 by the state government, recognizing our unwavering dedication to exceptional patient care and innovation.
